Noaw Srl

N.1—2016

Now available at **Noaw Srl** a selection of Roband's products.  
Australia's leading manufacturer of high quality toasters and grill stations for food preparation.

The Roband products are also available on our website [www.noaw.it](http://www.noaw.it) where you can find photos and details about the models.

***Do not hesitate to ask information to our Staff!***

## **Grill GSA610R— GSA815S— Produced in Australia by Roband**

The modern, stylish Roband Grill Station is available in six or eight slice size models. The versatile unit rapidly toasts sandwiches, paninis and focaccias, in addition to producing beautifully seared and grilled tender meat, poultry and fish.

The Roband Grill Station truly is a must-have for cafes, takeaways, sandwich shops or anywhere that toasting and / or grilling is required.

## **Sycloid Toaster ST 500 A— Produced in Australia by Roband**

Elegantly designed and crafted, the revolutionary Sycloid® toaster sets a new standard for high speed toast production.

The Sycloid's stylish exterior houses a cleverly engineered machine that provides truly functional energy efficient operation and an outstanding toasting result time after time.
